¹CLOSER PARKING FOR PERSONAL MEDICAL REASONS (excludes Handicapped Parking Zones*):

Submit this form and a currently-dated letter signed by your personal healthcare provider on his/her office’s letterhead containing the following information:

- Diagnosis/nature of your disability
- Reason(s) why closer parking to classes/residence hall is needed
- END DATE

**TCNJ cannot approve handicapped parking. To apply for a handicapped parking permit:*

- o **Permanently disabled individuals:** Application to the State of New Jersey Motor Vehicle Commission for handicapped plates/placards. For detailed information, go to www.state.nj.us/mvc/
- o **Temporarily disabled individuals:** Application to the Ewing Township Police Department. Call 609-882-1313 for information.

²EXCEPTION TO THE FIRST-YEAR STUDENT PARKING POLICY FOR PERSONAL MEDICAL REASONS:

Subject to space availability, residential first-year students who demonstrate a compelling medical need for personal transportation to attend frequent, scheduled medical or psychological appointments may qualify for a parking exception. Appointments must be scheduled at least weekly and not on an “as-needed” basis.

Submit this form and the **Medical Parking Application Form for Residential First-Year Students, HEALTHCARE PROVIDER’S STATEMENT** completed by your personal health care provider.

Do not bring your car to campus until you have been notified that your application has been approved and you have obtained the proper permit from Parking Services.

Submit this form and either the letter from your personal healthcare provider (for closer parking) or the Medical Parking Application Form for Residential First-Year Student – Healthcare Provider’s Statement to Student Health Services. Your application will be reviewed by the director of Student Health Services and you will be informed of her decision by TCNJ email.
